The IRS announced that the annual contribution limits for both supplemental retirement plans have increased for 2019. The general IRS contribution limit for the University of Illinois System 403(b) Plan and the State of Illinois Deferred Compensation 457 Plan is $19,000 for 2019. Employees age 50 or older who participate in the 403(b) or 457 Plans may contribute an additional $6,000 for a total annual maximum of $25,000 in 2019. Employees may contribute up to the maximum limit in both optional investment plans in 2019.

403(b) Catch-up Contributions
Employees with 15 years of full-time service and who have not taken advantage of tax-deferral opportunities in the past have the option to contribute an additional $3,000 to this plan. Employees who are eligible for the 15 year special catch-up option will be notified by email in March of their eligibility.

457 Catch-up Contributions
Employees within three (3) years of eligibility for a full SURS retirement benefit may contribute up to twice the annual contribution limit or their “underutilized” amount, whichever is less, pending approval by CMS. These benefits include the taxable amounts relating to the personal use of employer provided vehicles, country club dues paid for members on behalf of the university, moving expenses, complimentary event tickets, car mileage (value of fuel for personal commuting use of an university vehicle), gifts, per diem amounts reimbursed to employee exceeding the IRS limits, expense reimbursements (greater than 60 days), non-qualified taxable benefits (value of benefits supplied to a domestic partner of an employee), tuition waiver amounts greater than $5,250, miscellaneous taxable benefits, and nonresident housing expenses.

For additional information and instruction related to taxable benefit reporting visit [http://www.obfs.uillinois.edu/bfpp/section-4-payroll/submit-taxable-fringe-benefit-payments/](http://www.obfs.uillinois.edu/bfpp/section-4-payroll/submit-taxable-fringe-benefit-payments/).

Out-of-State Salary/Wage Payments

If a University of Illinois System employee receives compensation paid in another state, and the system is registered as doing business in that state, the compensation is considered paid outside of Illinois. The U of I System is often required to withhold according to that state’s withholding regulations.

Departments and employees should contact University Payroll & Benefits to discuss the necessary steps to ensure proper state withholding.

For additional information and instruction related to state tax withholding visit [https://www.obfs.uillinois.edu/payroll/tax-information/withholding-allowance/](https://www.obfs.uillinois.edu/payroll/tax-information/withholding-allowance/).
