Initiating a Current Pay Adjustment (CPA) for COVID-19 Emergency Sick Leave - Academic (Monthly) Employees

Employees who miss work due to COVID-19 may be eligible for two weeks of emergency sick leave paid at full pay or 2/3 pay. In addition, employees may be eligible for 10 weeks of COVID-19 expanded FMLA leave at 2/3 pay.

See the System HR Families First Coronavirus Response Act resource page for more information.

Human Resources will update job records as needed to accommodate emergency pay leave situations. If job records are not updated before payroll calculation, a CPA can be used to pay the employee correctly.
