

FOR RENEWING OR ESTABLISHING ANNUAL ORDERS FOR FY2023 and FY2022 ENCUMBRANCES

Please distribute to all personnel involved in establishing new annual orders or renewing annual (including multi-year) orders.

The following contains important information regarding: 1) policy requirements for annual orders, 2) procedures and deadlines for fiscal year 2023 renewals/new annual orders, and 3) fiscal year 2022 encumbrances.

Requirements

- iBuy **should** be used for all requisitions and purchase orders. This includes both regular and standing orders.
- The iBuy **Purchase Requisition Form** for regular purchase orders (replaced the Route to Purchasing Form and the Non-Catalog Order Form). It also incorporates information regarding Small Purchases including whether multiple quotes were obtained.
- Standing orders should be initiated with the iBuy **Standing Order Form**.
- Payment Terms other than Net 30 are now permitted in iBuy on an exception basis. For example, if Vendor provides a discount for early payment or if prepayment is required. Please consult the Job Aid at: <https://www.obfs.uillinois.edu/training/materials/ibuy/> , [Requesting Non-Standard Payment Terms in iBuy](#).
- Shipping/Freight costs, if they are additional to the supplies or services, **must** be identified in a separate line item in the iBuy requisition, or they will not be paid by University Payables if included and/or separately stated on the vendor's invoice.
- Please contact UIS Purchasing & Contract Management Office if you believe that a Banner requisition or purchase order is required. Banner requisitions will only be accepted and processed on an exception basis. **Banner will still be used for nonconforming orders.**

Standing Orders should be established to serve as master contracts with a vendor for which there are continuing, multiple requirements on an "as needed" basis throughout the fiscal year for certain supplies or services. The amount of the standing order should be your total estimated spend for all items expected to be ordered. Vendors for standing orders estimated to exceed \$50,000 annually will be subject to requirements for registration with the State Board of Elections and submission of Financial Disclosures and Conflicts of Interest Forms.

Small Purchases of \$10,000 to \$100,000 require multiple quotes.

- Small purchases using federal or federal pass-through funds (Fund Codes 4xxxxx and 5xxxxx), shall comply with the Uniform Guidance Micro-Purchase requirements for multiple quotes at \$10,000.
- All other small purchases shall comply with the Chief Procurement Officer for Higher Education Administrative Rules at Sec.4.2020(a) which include documentation demonstrating competition (quotes) from multiple vendors for purchases \$20,000 to \$100,000.

Such quotes can be informal (e.g., via telephone or email). The multiple quotes must be documented in iBuy Internal Notes or Comments, or attached in iBuy Internal Attachments, and must identify the vendors which provided the quotes and the method by which the quotes were obtained; or the reasons why multiple quotes, including from small and diverse businesses, were not obtained. Units are encouraged to solicit at least one (1) quote from a [Business Enterprise Program \(BEP\) certified diverse vendor](#) when available. These requirements are now addressed in the iBuy Purchase Requisition Form and Standing Order Form.

If your purchase order, including for a competitively-solicited award, is expiring and there is a continuing need for services or supplies, but no Renewals are available, then you will need to submit a requisition for a new purchase order or new competitive solicitation to be initiated. This should be done as soon as possible to permit adequate time to draft, issue, receive responses, evaluate and recommend an award for a competitive IFB (Invitation for Bid) or RFP (Request for Proposal). A requisition for a competitive solicitation should continue to use "iBuy Bid Vendor" as the vendor.

Deadlines

For fiscal year 2023 purchase requirements with a start date of 7/1/2022, it is essential that departments submit requisitions in a timely manner to allow sufficient time to process renewals (if any are available), or competitive bids, RFPs, Exemptions, or Sole Sources, prepare recommendations for the Board of Trustees, if necessary, and obtain all necessary approvals, to issue an annual order by July 1st.
