SUBJECT: UIUC FY 2022 Tuition Remission Rate

Dear Ms. Benson:

In UIUC's correspondence dated February 19, 2021, UIUC requested approval of a tuition remission rate for FY 2022 (July 1, 2021 – June 30, 2022). This rate will be reviewed by DCAA for reasonableness and compliance under the FY 2022 fringe benefits rates audit. Subject to change resulting from the results of audit, the following rate is approved for pricing and billing for FY 2022:

FY 2022	Tuition Remission Rate:	64.0%
Allocation Base:	Salaries and wages of graduate assistants with tuition waivers	

Upon receipt of DCAA's audit report, any audit recommendations will be resolved and may result in adjustments to the rate and billing adjustments.

UIUC is expected to monitor this rate and disclose to the Government any significant changes which would require adjustment to the rate. This rate may be changed at any time upon agreement of UIUC and the Government or unilaterally by the Government.
