The following information is applicable to this Benefit Choice Period. Plan changes and/or premium increases may occur later during FY 2017 pending the outcome of an ongoing legal dispute between the state and American Federation of State, County and Municipal Employees (AFSCME). If this occurs, it is likely that Central Management Services will hold a second Benefit Choice Period.

The Benefit Choice Options booklet and online enrollment forms are on NESSIE at: go.uillinois.edu/BenefitChoice

During the FY 2017 Benefit Choice period employees can access NESSIE to make the following changes:

- Enroll or re-enroll in the Medical Care Assistance Plan (MCAP) and Dependent Care Assistance Plan (DCAP). MCAP and DCAP are the only plans requiring re-enrollment every year.
- Change health, dental, life, and dependent coverage. If you do not want to change insurance coverage, you do not need to do anything. Please note that documentation is required to add dependents or opt out of health insurance.
- All services must be received by June 30, 2016.
- Employees will continue to have until September 30, 2016, to submit claims.
- The carryover provision does not apply to DCAP accounts.
- Employees planning on retiring or separating during the FY 2017 plan year are not eligible to participate during FY 2017.

FY 2017 Premiums:
- Insurance premiums will not change for full-time employees.
- The employer portions of the insurance premiums are expected to increase; therefore, part time employees’ health and dental costs are likely to increase. Part-time rates will be available as soon as the employer portions have been finalized.
- Per Central Management Services - The premium levels listed in this benefits flyer are for FY 2016 (July 1, 2015 – June 30, 2016). Personnel should be aware that these premiums may be subject to an increase, pending the outcome of an ongoing legal dispute between the state and AFSCME and that this premium increase may be applied retroactively to July 1, 2016.

FY 2017 Insurance Plan information:
- No carrier changes for health, dental and vision plans.
- Please review the Benefit Choice Options booklet on NESSIE, available May 1.

FY 2017 MCAP Information:
- The annual plan limit will remain as $2,550.
- The carryover provision does not apply to DCAP accounts.
- Employees planning on retiring or separating during the FY 2017 plan year are not eligible to participate during FY 2017.
- MCAP balances up to $500 remaining after September 30, 2016, will NOT automatically carry over to the FY 2017 MCAP account. A new enrollment is required to use the carryover funds.
- This carryover could result in an MCAP account of $3,050 for the FY 2017 plan year.

FY 2017 MCAP Changes:
- MCAP balances up to $500 remaining after September 30, 2016, will NOT automatically carry over to the FY 2017 MCAP account. A new enrollment is required to use the carryover funds.

Benefit Choice Elections or changes made to insurance for MCAP/DCAP during May, 2016 are effective July 1, 2016. Employees should monitor their official University email address for UPB notifications and requests for additional information.

Vacation and Sick Leave Payouts
- Employees who will be retiring or terminating employment may direct a portion of their Terminal Benefit Payout into the 403(b) and/or 457 Deferred Compensation retirement plan(s).
- An estimate of the payout, completed by the department/unit human resources person, is required to ensure contribution calculations are as accurate as possible. The form can be found using this link: https://nessie.uihr.uillinois.edu/pdf/benefits/UnitHRTBPCalcSheet.pdf
- Elections for the University’s 403(b) terminal benefit payout election can be accepted by UPB up to 30 days prior to the last regular paycheck. It is highly recommended, however, that 403(b) elections be received by the UPB office as early as possible.
- Enrollment or change forms for the State of Illinois 457 Plan must be received in UPB two calendar months before the month in which employees receive their last regular paycheck. For example, if an employee’s last regular check will be in July, the form must be received in UPB by May 30.
Calendar Year 2016 Taxable Benefits

- Country club dues paid for members on behalf of the University.
- Qualified moving expenses, complimentary event tickets, gifts.
- Per diem amounts reimbursed to employees exceeding the IRS limits, expense reimbursements (greater than 60 days).
- Non-qualified moving expenses, non-qualified taxable benefits (value of benefits supplied to a domestic partner of an employee).

Out of State Salary/Wage Payments

If a University employee receives compensation paid in another state, and the University is registered as doing business in that state (typically requires a physical office) the compensation is considered paid outside of Illinois.

The University is often required to withhold according to that states withholding regulations.

Departments/Employees should contact University Payroll and Benefits to discuss the necessary steps to ensure proper state withholding.

Thank You for Taking the UPB Newsletter Improvement Survey!

We appreciate you taking the time to complete the online survey this past February. We received over 100 responses and are excited to use your feedback to make the newsletter better. The responses show that you think the newsletter is a valuable resource, but some of the topics are not relevant to you.

From here we plan to:

- Develop a plan on the key issues that we need to improve.
- Identify “quick wins” that will have an immediate impact.
- Follow through and evaluate along the way.

If you have questions or comments, please contact Kassaundra Hester, Director of UPB at khes-ter@uillinois.edu.
