

## Important Changes to Your Online Earnings Statement

Due to the implementation of the new state benefit enrollment process, you will notice changes to your online earnings statement on 12/16/16 (monthly) and 12/14/16 (bi-weekly). The online earnings statement available at [https://nessie.uihr.uillinois.edu/cf/comp/index.cfm?Item\\_id=1055&rlink=674](https://nessie.uihr.uillinois.edu/cf/comp/index.cfm?Item_id=1055&rlink=674) will display the following new deduction code descriptions, when applicable:

- Health Insurance – Pre Tax
- Health Insurance – Post Tax
- Dental – Pre Tax
- Dental – Post Tax
- State Life Insurance – Non Tax
- State Opt Life – Taxable Premium
- State Spouse Life
- State Child Life
- State Accident/Dismemberment

The **Health Insurance – Pre Tax** deduction code description will replace all carrier specific employee and dependent health insurance pre-tax deduction code descriptions (e.g., BY HMO Illinois Mo EE, BY HMO Illinois Mo Dep). If you currently pay part-time premiums, the Health Insurance and Part-Time Health deductions will be rolled into the Health Insurance – Pre Tax deduction code description.

The **Dental – Pre Tax** deduction code description will replace the pre-tax D6 Quality Care Dental deduction code descriptions. If you currently pay part-time premiums, the Quality Care Dental and Part-Time Dental deductions will be rolled into the Dental – Pre Tax deduction code description.

The **State Life Insurance – Non Tax (if applicable) and State Opt Life – Taxable Premium** deduction code descriptions replace the Non-taxable and taxable portions of the C9 State Optional Life deduction code descriptions. The State Opt Life deduction code description does not include the chosen salary multiplier (e.g., 4x). The State Spouse Life and State Child Life deduction code descriptions will replace the C9 State Spouse Life and C9 Dependent Life deduction code descriptions.

The general **State Accident/Dismemberment** code will replace all State of Illinois Accidental Death and Dismemberment plan deduction code descriptions (e.g., C9 State AD&D Basic + 4X Mo). The deduction code description for University of Illinois System accidental death and dismemberment (e.g., U of I AD&D/Cont. Assurance Mo) will remain the same.
