Just a small selection of the many ways you may use your Gold Rewards points...

Points are earned after enrollment on qualified member stays (excludes airline crew rates, "Night on the House" stays and all non-member rates including those booked via online travel agencies). One point will be awarded per stay; a "stay" is defined as the total number of consecutive nights spent at the same hotel, regardless of the number of check-in/check-outs. See clubquartershotels.com for full details, terms and conditions. The merchants represented are not sponsors of the Club Quarters Hotels Gold Rewards program or otherwise affiliated with Club Quarters Hotels. Please visit each company's website for additional terms and conditions. Please email goldrewards@clubquarters.com with any questions.
