The IRS announced that the annual contribution limits for both supplemental retirement plans have increased for 2018. The general IRS contribution limit for the University of Illinois 403(b) Plan and the State of Illinois Deferred Compensation 457 Plan is $18,500 for 2018. Employees age 50 or older who participate in the 403(b) or 457 Plans may contribute an additional $6,000 for a total annual maximum of $24,500 in 2018. Employees may contribute up to the maximum limit in both optional investment plans in 2018.

Out of State Salary/Wage Payments

If a University employee receives compensation paid in another state, and the University is registered as doing business in that state (typically requires a physical office) the compensation is considered paid outside of Illinois. The University is often required to withhold according to that states withholding regulations. Departments/Employees should contact University Payroll and Benefits to discuss the necessary steps to ensure proper state withholding. Please refer to the link below for additional information and instruction related to state tax withholding.

UPB Training Initiative Update

We are pleased to announce that we are kicking off the development of a certification for time reporting. This is UPB’s second OBFS Certification. We are in the process of collecting data related to time reporting and time corrections. After analysis of this data, we plan to visit units to discuss their processes regarding time entry and reporting. We hope to learn about unit best practices and the obstacles and challenges encountered which will help us determine course and curriculum content. If you would like to participate in this discovery process and partner with us, please email obfstraining@uillinois.edu with the subject heading of “Time Reporting Learning Partners”.

OBFS Certification – Inviting and Onboarding Foreign Nationals – Our first certification track, which was developed in partnership with the UIC Office of International Services and the UIUC International Services and Student Scholars office, was rolled out on November 14, 2017 in Urbana and November 16, 2017 in Chicago. We solicited nominations for the cohorts through Business Manager communications and were able to form two cohorts. Cohort participants have completed three of the four courses in this certification track and will soon complete the fourth.

The course titles are:

- Immigration Overview (instructor-led)
- Critical Pre-arrival and Arrival Procedures/Introduction to the SSN, ITIN and TCN (instructor-led)
- Payment Eligibility and Taxation for Foreign Nationals (instructor-led)
- Employing Foreign Nationals Working Outside the U.S. (web-based)
