

Shred-it is now the approved information destruction service provider for the University of Illinois System!

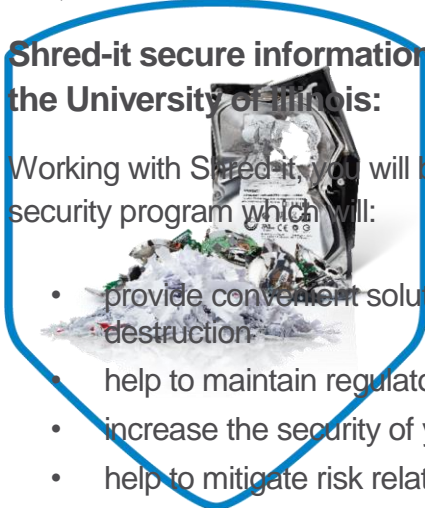

Established in 1988, Shred-it was one of the first paper shredding companies in the world, and today we've grown to be a global leader, providing secure information destruction service to over 400,000 customers in 170 markets, in 18 different countries.

Shred-it secure information destruction services overview for the University of Illinois:

Working with Shred-it, you will benefit from a highly cost-effective security program which will:

- provide convenient solutions for document and hard drive destruction
- help to maintain regulatory compliance
- increase the security of your confidential material(s)
- help to mitigate risk relative to information security

Environmental sustainability: 100% of the paper shredded is recycled to support sustainability efforts.

Available Services:

1. Offsite and Onsite Document Destruction
2. Purge (One-time) Document Destruction
3. Hard Drive and Media Destruction

Shred-it maintains an unbroken chain of custody until materials are destroyed. A Certificate of Destruction is provided after each service to substantiate your compliance.
