Applera Corporation/Applied Biosystems					

- c. The supplier name field has been updated to include the auto-complete/type-ahead functionality.

Example1

The screenshot shows the 'Advanced Search' form with a dropdown menu open for the 'Supplier Name' field. The dropdown lists several suppliers: Affinity BioReagents Inc, GE Healthcare Bio-Sciences Corp, iBuy Bid Vendor, New England Biolabs Inc, and Applera Corporation/Applied Biosystems. The 'Find Results That Have:' section includes fields for 'All of These Words', 'Part Number (SKU)', 'Supplier Name', and 'Manufacturer Name'. The 'Other Options' section includes checkboxes for 'Include similar terms' (checked) and 'Exact Phrase', and a field for 'Any of These Words'. A 'Search' button and a 'change preferences' link are also visible.

## 2. New Shopper filter

- a. The Shopper can now refine the product search results by supplier classes.

The screenshot shows the iBuy Product Search results page. The 'Shop' filter is set to 'Everything' and the search term is 'batteries'. The results are sorted by 'Best Match' and show 1 - 20 of 202 results. The 'Refine and Filter Search' sidebar on the left includes filters for 'By Supplier', 'By Supplier Class', 'By Category', and 'By Packaging UOM'. The main results list shows several 'Battery, External' items from GE Healthcare Bio-Sciences Corp, each with a part number, price, and an 'Add to Cart' button.

## 3. Emailed Purchase Order Update

- a. Purchase Order Number is now included in the subject line of the emailed purchase order to the supplier.

The screenshot shows an email header with the following information: 'You forwarded this message on 10/26/2009 3:06 PM.', 'From: University of Illinois [support@scquest.com]', 'To: Quick, Lauri', 'Cc:', 'Subject: iBuy, PO#: P0287762', and 'Sent: Mon 10/26/2009 2:45 PM'.
