The University Payroll and Benefits Chicago Office Has a New Look!

The University Payroll and Benefits (UPB) Chicago Office remodel was successfully completed in July, and our office has moved back to its original location on the 1st floor in MAB. The new layout and brighter atmosphere has helped improve employee morale within UPB, and has provided private consultation rooms for customers.

**UPB Student Insurance**

The Student Insurance office located on the Urbana-Champaign campus has seen a good deal of change throughout the summer and fall in transitioning to its new primary role as a hub of customer service and outreach.

All claims processing has been outsourced to United Healthcare, the underwriter of the student insurance plan. Accordingly, the number of staff members has dropped from ten to five. Going forward, the Urbana-Champaign office will be handling all student insurance questions on a range of topics from adding dependents to general registration and waiver issues, as well as performing a wide range of outreach activities to help the student body at large better understand their insurance coverage.
Holiday Payroll Schedule
With the end of year quickly approaching, University Payroll and Benefits would like to highlight important information including dates for all units and employees to take note of.

All taxable benefit reporting for calendar year 2013 must be submitted to UPB.

Calendar Year 2013 Overpayment Processing
Deadlines must be met to facilitate timely correction of payroll records and avoid significant tax consequences for employees who received overpayments in 2013.
