Requesting \textit{FABweb} Access

If you do not have access to \textit{FABweb}, follow these steps to request access.

<table>
<thead>
<tr>
<th>Step</th>
<th>Task</th>
</tr>
</thead>
</table>
| 1.   | Open a web browser (such as \textit{Internet Explorer}) and go to the following address:  
      \url{https://apps.obfs.uillinois.edu/fixedassets/dsp_AuthInfo.cfm} |
| 2.   | Type your ID and Password in the appropriate fields. |
| 3.   | Click the \textit{Login} button.  
     The \textit{FABweb Request Authorization} window will display. (see Figure 1 below) |
| 4.   | Complete all fields of the form, including your six-digit department Organization code. Note that you  
     can fill out a request for yourself or for someone else. |
| 5.   | Click the \textit{Continue} button. |
| 6.   | If successful, the \textit{Request Authorization} window will show a message stating that further instructions  
     will be sent to the e-mail address given. (see Figure 2 on the next page) Follow the directions in the  
     email. The user will receive notification when access has been completed. |
