

Using the Non-Catalog Form

Non-Catalog Forms create an electronic requisition used to:

- Order items from suppliers without Hosted or Punchout catalogs.
- Order items not offered in suppliers' Hosted or Punchout catalogs.

NOTE: Before using the **Non-Catalog Form**, carefully review the instructions at the top of the form to determine if the **Route to Purchasing Form** needs to be used instead.

NOTE: If you are creating a non-catalog order for items not offered in a suppliers' Hosted or Punchout catalog, it is advised to obtain a quote from the supplier representative that details the **Catalog Number, Product Description, Quantity, Packaging** and **Estimated Price**.
