**SUBJECT: UIUC FY 2019 Tuition Remission Rates**

Dear Ms. Benson:

In UIUC's correspondence dated May 10, 2018, UIUC requested approval of a tuition remission rate for FY 2019 (July 1, 2018 – June 30, 2019). This rate will be reviewed by DCAA for reasonableness and compliance. Subject to change resulting from the results of audit, the following rate is approved for pricing and billing for FY 2019:

FY 2019 Tuition Remission Rate: 64.0%

Allocation Base: Salaries and wages of graduate assistants  
with tuition waivers

Upon receipt of DCAA's audit report, any audit recommendations will be resolved and may result in adjustments to these rates and billing adjustments.

UIUC is expected to monitor this rate and disclose to the Government any significant changes which would require adjustment to the rate. This rate may be changed at any time upon agreement of UIUC and the Government or unilaterally by the Government.
