**Individual, age 55 and over** - $4350  
**Family, age 55 and over** - $8750

**Reminders for FY2024**

- If you do not want to make changes to your health, dental or life insurance coverage, you do not need to do anything.

- The exception is the enrollment or re-enrollment in the Medical Care Assistance Plan (MCAP), Dependent Care Assistance Plan (DCAP) and Health Saving Account (HSA). MCAP, DCAP, and HSA are the only plans that require re-enrollment every year. For HSA accounts, you will need to set up an account with Optum Financial.

- If you were previously enrolled in CDHP/HSA and elected the employer contribution, that election will automatically be re-enrolled each year. However, you must make your employee contribution elections for the next plan year.

- Documentation is required to add dependents to health insurance.

  - Submit the required documentation by either uploading the document(s) as one combined file, at MyBenefits.illinois.gov OR by mailing a paper copy by the due date of June 9, 2023.

  - Scan the documents into an allowable file type: (PDF, JPEG, GIF, PNG, BMP, or TIFF)

  - Login at MyBenefits.illinois.gov, go to the Your Benefits box, select Self-Service Tools, then Upload Required Documents.
FY2024 Benefit Choice Period: May 1—May 31, 2023 (continued)

- Check to ensure that your Primary Care Provider is considered in network with your insurance plan, even if you are not changing plans. Contracts between providers and plans could change.

- If you do not have computer access you can contact the MyBenefits Service Center directly for assistance.

- Verify your mailing address in Systems HR Services at HR.uillinois.edu to ensure you receive your insurance cards. If an address update is needed with MyBenefits, contact UPB Customer Service.

- You are encouraged to provide a preferred email address in MyBenefits to receive important reminders from CMS via email rather than postal mail. This will ensure that you receive important reminders in a timely manner.

- You can do this by logging into MyBenefits, go to the Your Benefits box, click on Self-Service Tools and select Update my email, enter your email address(es), and click Save.

Benefit Choice elections or changes made during May 1 through May 31, 2023 are effective July 1, 2023.

Calendar Year 2023 Taxable Benefits

Please make certain all taxable benefits are reported to University Payroll & Benefits at the time the benefits are received by an employee. This will ensure proper reporting on the W-2.

These benefits include the taxable amounts relating to the personal use of employer-provided vehicles, country club dues paid for members on behalf of the university, moving expenses, complimentary event tickets, car mileage (value of fuel for personal commuting use of a university vehicle), gifts, per diem amounts reimbursed to an employee exceeding the IRS limits, expense reimbursements (greater than 60 days), non-qualified taxable benefits (value of benefits supplied to a domestic partner of an employee), tuition waiver amounts greater than $5,250, miscellaneous taxable benefits, union taxable vacation pay, and nonresident housing expenses.

Please refer to the link below for additional information and instruction related to taxable benefit reporting.

Vacation and Sick Leave Payouts

- Employees who will be retiring or terminating employment may direct a portion of their Terminal Benefit Payout into any combination of the 403(b), State of Illinois 457 Deferred Compensation and/or SURS Deferred Compensation retirement plans.

- An estimate of the payout, completed by the department/unit human resources person, is required to ensure contribution calculations are as accurate as possible. The form can be found by selecting the Benefits Payout Deferral Worksheet using this link: https://www.hr.uillinois.edu/benefits/forms

- Elections for the terminal benefit payout to contribute to the University’s 403(b) and/or 457 Plans can be accepted by UPB up to 60 days prior to the last regular paycheck. It is highly recommended that all elections be received by the UPB office as early as possible.

Insurance Coverage for any 9 or 10-Month Employee During the Summer

Full and part-time faculty and academic-year, non-faculty off during the summer break period (for CMS insurance purposes from June 1 to August 31) are billed for the same premium amounts as when actively working. Eligibility requires that the employee be insured through the State for six months prior to the summer break period.

Termination of coverage requests must be made prior to the break period to avoid being held responsible for any billed premiums.

For those 9/9 or 10/10 employees who do not plan on renewing their contract for Fall Semester and do not want the insurance over the summer, they will need to go into MyBenefits to ‘Opt Out’ of the Insurance and provide documentation. Otherwise, they will be responsible for paying the bill that they receive from CMS. Coverage will then terminate 8/31.

Out of State Salary/Wage Payments

If a University employee receives compensation paid in another state, and the University is registered as doing business in that state the compensation is considered paid outside of Illinois. The University is often required to withhold according to that state’s withholding regulations. Departments/Employees should contact University Payroll & Benefits to discuss the necessary steps to ensure proper state withholding. Please refer to the link below for additional information and instruction related to state tax withholding.
